GIFT PROGRAM**

The Texas Food Processors 32nd Annual Meeting is being held April 15 - 17, 2009 at the Tapatio Springs Resort in Boerne, TX. The TFPA continues to be committed to providing members with a networking forum that provides information, services, and support that strengthens the food processing industry in Texas. A big part of our focus is reinvesting in today's future by supporting future food science professionals through our annual scholarship program.

The decline in our economic climate at the start of 2009 has us anticipating a similar response in our capital development efforts. We are reaching out to mutual members and stakeholders in the association in advance of the auction to ask for your support.
