

Quality Assurance Technician I Brenham, TX

Are you a **Quality Assurance Technician** looking to join a quality company with a family-style culture? Do you have a passion for ensuring that high-quality products are produced? We are looking for a knowledgeable employee who can bring quality assurance expertise and experience to our organization. This position will provide opportunities for you to fully utilize your skills, while adding value to an exceptional company with a stellar reputation!

About the Company:

Since 1982, the Del Sol Food Company has focused on our unwavering dedication and commitment to quality by using only the finest ingredients. But it's the people behind our products that make Briannas an award-winning company with a one-of-a-kind culture. Family is at the heart of everything we do, as evidenced by the number of our employees who have been with us for a significant number of years. In fact, half of our employees have been with us for over a decade!

Our vision for growth is much larger than salad dressing alone, and we're looking for dedicated individuals who desire to grow with us.

SUMMARY:

The Quality Assurance Technician I is an active participant in the implementation of Food Safety Quality Assurance (FSQA) programs. The Quality Assurance Technician I is responsible for performing physical and visual inspections of plant systems, raw material, finished product and packaging materials during the pre and post operational processes of food production and packaging in our facilities to ensure the highest quality products possible, while maintaining stringent technical and experimental documentation.

ESSENTIAL FUNCTIONS:

- Assist in monitoring of FSQA programs including but not limited to HACCP, Sanitation Standard Operating Procedures, Standard Operating Procedures, GMP's, Foreign Material Control, Hold/Release Program and Raw Material Sampling Program.
- Assist in day-to-day sanitation operations in accordance with company SSOP's.
- Perform tasks including but not limited to ingredient and product sampling, line monitoring and daily sanitation verifications.
- Assist in maintaining a database of relevant Quality documents to include but not limited to: Laboratory Logs, Certificates of Analysis, Supplier documentation, Sanitation Logs, and Temperature Logs.
- Maintains good morale and positive attitude.
- Responsible for reporting all food safety and quality problems to QA/R&D Manager and/or V.P. of Operations.
- Serve as backup for QA Tech II.

Del Sol Food Co., Inc., 3015 S. Blue Bell Rd., Brenham, TX 77834-2243 • PH: 979-836-5978
